MEMORANDUM FOR: Deputy Director for Support

25X1 SUBJECT : [REDACTED] - Current Status

1. This memorandum is for your information only.

2. There is attached a report on the placement efforts which have been made on behalf of [REDACTED] contract has been extended for the 30 days as authorized by the Deputy Director of Central Intelligence and will expire effective 2 April 1967.

3. There seems to be no immediate prospect of her obtaining employment as an instructress or translator in Arabic in the Washington area. [REDACTED] has been unwilling to pursue opportunities overseas with Voice of America or even away from the Washington area. Under the circumstances, I believe [REDACTED] best opportunities for employment for at least a temporary period lie in a field other than teaching or translating Arabic. With her political sponsorship and the state of today's labor market she should be able to find employment in Government service at the GS-4 to 6 level. She will be eligible for unemployment benefits if she does not find or accept employment right away.

4. If any outplacement opportunities develop in months ahead, we will bring them to her attention. Aside from this, I believe we must consider her employment future to rest in her own hands.
